3900 Main Street
Riverside, CA 92522

These special instructions to bidders are an integral part of this Request for Quotation and should be carefully followed to prevent possible rejection of your bid.

The date and time indicated for proposal return should be clearly observed. The City will open and evaluate proposals as soon as possible, but in most instances it will be the day following the due date.

Price Quotations will be accepted on the attached RFQ form only, and must be for item(s) requested.

Prices must be quoted FOB our yard.

Prices quoted will be firm for 60 days to allow for evaluation and issuances of purchase order.

Alternates: If you are unable to bid on item requested and wish to bid on a possible accepted alternate, write the word "Alternate" in the price column on the attached proposal and on your own proposal sheet. Describe your alternate fully and explain the technical differences between the two items. Show price quotation for alternate on your proposal sheet. Submit descriptive literature if available.

Deliveries: Vendor must show delivery schedule. If because of a promised earlier delivery date, award of the purchase order is made to other than the low responsive bidder, and the successful bidder fails to make delivery within the time specified in their bid it is understood and agreed upon that there will be a deduction from their bid price an amount equal to the difference between their bid and the bid of the low responsive bidder.

Technical Evaluation: If the product or item offered are of a technical nature, the City may award bid based upon "Life Cycle Cost" (LCC) which takes into consideration operating cost, maintenance and other ownership cost as well as acquisition price.

Additional Information: Where requested, manufacturer(s) must be indicated and shipment must be stated when item will be received by the City of Riverside.

Award of Bid: The City reserves the right to make a combined award of all items complete to one bidder or may award separate items or groups of items to various bidders, or may delete items, whichever proves to be in the best interest of the City. The right is also reserved to reject any or all bids.

Please direct any inquiries to Buyer noted at the bottom of RFQ and reference Request for Quotation number.
